A Parent-Teachers Meeting was conducted on 14-10-2023. Parents were intimated through the student official groups well in advance through class teachers and mentors.

The main objective of the meeting was to create a common platform, where teacher and parents come together to discuss student's performance and devise ways to enrich their learning experience.

Teachers briefed the parents about their ward's performance during first term. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance.

Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the school. They gave their view points and suggestions to teachers regarding the school and its development. Handouts were personally given to each parent to enlighten them about vision, mission, core values and objectives.

The meeting helped to create better understanding between parents and teachers and build harmonious relationship between the school and the community.
