The camp was packed with diverse extracurricular activities designed to foster creativity, skills, and fun, including activities such as:

- ✚ Fashion Show
- ✚ Skating
- ✚ Dancing
- ✚ Recycling for environment conservation

The camp also included thrilling adventure activities like:

- Zip Lining

Additionally, students enjoyed a refreshing trip to town's top water park "Varanasi Fun City "to beat the summer heat.

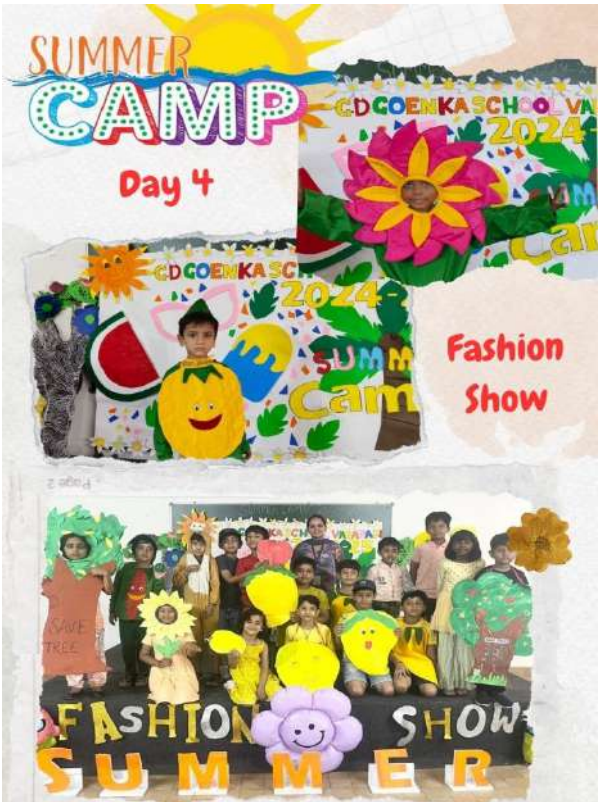

The toddlers enjoyed a movie show, "Return of Hanuman," with popcorn to have the feel of a theater. Before that, they had a rain dance party and water splash at the school campus, and they also clicked photos at the selfie point to make memories more special.

Each day began with a 10-minute session of yoga, aerobics, and meditation to promote physical and mental well-being.

At the end of the camp, all participants received a certificate of participation.

The school extended its best wishes for a happy summer vacation and looks forward to seeing everyone next summer with even more enthusiasm and new activities.
