GD Goenka School Varanasi Proudly Hosts CBSE Aryabhata Ganit Challenge 2024 - Level 1

We are excited to share that our school successfully conducted the CBSE Aryabhata Ganit Challenge (AGC) 2024 - Level 1 this week in which talented students from various classes showcased their mathematical skills in this pen-and-paper mode competition.

The CBSE Aryabhata Ganit Challenge (AGC) aims to build core mathematical skills by applying them to practical daily problems. This initiative motivates students to strengthen their abilities through an engaging and thought-provoking assessment process.

Best of luck to all our participants as they move forward to the next level! We look forward to seeing them excel at the national level in the upcoming computer-based test.
