Structured Assessment For Analysing Learning

Our 40 talented students from Grades 5 and 8 took part in CBSE SAFAL (Structured Assessment for Analysing Learning), a prestigious competency-based assessment organised by CBSE Board for Grade 5 & 8. SAFAL aims to evaluate students' core concepts, application of knowledge, and higher-order thinking skills. This initiative empowers our students to demonstrate their understanding and capabilities beyond traditional rote learning methods.

Kudos to our bright minds for stepping up to this challenge! We are incredibly proud of your dedication and hard work. Keep aiming high and achieving greatness!
