We recently conducted a heartwarming program titled "Inspiring Examples of Real-life Heroes" This event was graced by the presence of two incredible unsung heroes:

🌟 **Prof. Dr. Mangla Kapoor**, an associate professor in the MMV section of Music (Vocal) at Banaras Hindu University, an acid attack survivor whose unbreakable determination and spirit inspire us all, and also a famous writer known for her Hindi autobiography "**Seerat**."

🌟 **Mukhtar Ahmed** from **New Central Public School Ramnagar Varanasi**, a beacon of empowerment and resilience.

Their stories of overcoming adversity and empowering lives have left a profound impact on our hearts. We are deeply honored to have hosted such remarkable individuals who remind us that with courage and determination, we can conquer any challenge.

Let's celebrate their journey and continue to find strength in music and resilience in our souls. 🎤🎶
