**INTERNATIONAL TIGER DAY 2024**

**G.D. Goenka School Varanasi**

*International Tiger Day is celebrated to raise awareness among people and support tiger conservation. Today, less than 4000 tigers are left worldwide. Poaching, degradation and shrinking of habitat are grave issues faced by tigers. Let's take an uproar to save our tigers.*

**W**e celebrated International Tiger Day with a roar!!! 🐯🐯 Students learned about the majestic tiger, its habitat, and the challenges it faces. Students watched a short movie named 🎬 "Let's Save Bobby" in order to grab attention to the issue. They expressed their creativity through face painting, poster making, and mask-making, showcasing love and respect for these incredible animals.

But most importantly, we made a pledge to protect tigers and their habitats. We promised to do our part in reducing our impact on the environment, supporting conservation efforts, and spreading awareness about the importance of tiger conservation.

Remember, every small action counts, and together we can make a difference. Let's continue to roar for tigers and work towards a future where these magnificent creatures thrive.

**"Let's keep the spirit of tiger conservation alive!" 🌿🐾**
